Dear Players,

The Pearl River Community College Wildcat Baseball Team would like to invite you to our 2018 Kids' Hitting Camp for players ages 6-12.

The camp will begin on Tuesday, January 23rd and continue each week for a month. Each session will last approximately 90 minutes.

Campers will be divided into small groups, and taught hitting mechanics, participate in multiple drill stations, and get live reps in batting practice. These different stations will take place on the Pearl River CC Baseball Field and in the PRCC Indoor Hitting Cages.

This camp is great for young hitters because it allows hitters to develop proper mechanics with the help from college coaches and players' instruction. This camp offers much more than one day's worth of reps and lessons. Campers are more likely to comprehend correct mechanics over a month's time rather than a one-day overload.

I look forward to seeing you!
